

# STEAM FUTURES

## Employability and Innovation Fair

Join us at North Star Science School 2026

**18 November | Gulliver's Valley Theme Park**

For the first time ever, North Star Science School is introducing a dedicated employability and innovation fair, giving businesses a fantastic opportunity to engage with the next generation of talent.

Throughout the day, up to 1000 year 8 & 9 students will have dedicated time to visit the employability fair and meet employers from across the region.

You'll also have the opportunity to engage with year 10 and above students who are taking part in our co-created employer workshops.

**EXHIBITION STAND**  
**£200 +VAT**

### Your stand includes:

- ★ Meet and inspire up to 1,000 young people
- ★ Showcase your business, industry and innovative products
- ★ Promote apprenticeships, work experience and future pathways
- ★ Raise your organisation's profile within the local community
- ★ Support young people in understanding the exciting careers available in South Yorkshire
- ★ Network alongside leading employers and education partners

### WHY TAKE PART?

By exhibiting at North Star STEAM Futures you will:

- ★ Build your future talent pipeline
- ★ Demonstrate your commitment to social value
- ★ Inspire the workforce of tomorrow
- ★ Increase awareness of your organisation amongst students, teachers and schools
- ★ Help young people make informed career choices

North Star Science School is an exciting one-day live event that brings together schools, businesses and industry to inspire young people through Science, Technology, Engineering, Arts and Mathematics (STEAM).
